Dear Applicant

We are seeking to recruit a number of experienced SEN Teaching Assistants who can support pupils with a range of additional educational needs in very small groups or on a 1:1 basis in various year groups throughout our schools

The positions will be on a 30 hour per week term-time only contract for a fixed term, starting as soon as possible until 31 August 2020. There is a possibility of extension or even a permanent contract after that.

The posts will involve working with pupils who hold or for whom we are working towards an EHCP. Some pupils need 1:1 support in the classroom, personal care and help integrating with other pupils. We are looking for teaching assistants with experience of working with one or more special educational needs.

You will be a valued member of our team and receive ongoing support and guidance from colleagues and our experienced inclusion team as well as benefitting from a wide ranging in-house INSET programme
